Planning Use

The proposal for Bridgeman Place Works, is a mixed-use development to create a landmark residential extension and refurbishment to the main building, with a coffee shop at ground floor (entered from North elevation). The renovation of the more contemporary extension building to include a café and retail unit (as previously approved application 05082/18), with a new kitchen extension and new entrance constructed (as part of this planning application). Demolition of the later infill extension to create a new private courtyard with the main residential entrance.

Please note the property cannot be used for manufacturing purposes.
