Description

The property comprises of an detached church premises with a rear car park constructed in around 1872. It is of traditional brick construction with some stone detailing, the same being set beneath a pitched and slated roof covering. The total site area is 0.22 acres.

Internally, the property is arranged largely across ground and first floor levels, one half of the building is configured in a traditional church like manner with the other half providing a various rooms a large

meeting rooms which was previously used as a nursery, commercial kitchen area, along with a large theatre on the 1st floor with an upper floor balcony area.

Upon entry into the property, an internal entrance lobby leads through to a further internal lobby area, off which are located the disabled access WC facilities. The remainder of the ground floor space comprises of the main sanctuary.

Finally, accessed off the internal hallway, close to the main pedestrian entrance into the church, is a timber stairwell that leads to a tiered first-floor balcony area overlooking the sanctuary.

The car park is located to the rear of the property and is accessed off Rasbottom Street. It is fenced and surfaced and is used but the business across the road on an informal agreement.
